QUIZ 2024

MATS & ROXY PUZZLE JOY

PARTICIPATION FEE: €5

3 riddles/week - final riddle on 4th Advent - great prizes and at least €100 donation!

CAN YOU SOLVE THE RIDDLES AND FIND THE GOLD TREASURE?

HOW DO I PARTICIPATE?

By sending a message via WhatsApp or email and paying the participation fee - more info below and on the website!

HOW DOES IT WORK?

You'll receive 3 riddles per week via WhatsApp or email - Saturdays & Sundays at 12 pm, and Wednesdays at 7 pm. Answer the riddle before the next riddle release.

HOW IS THE WINNER DETERMINED?

The person who solves the final riddle the fastest on the 4th Advent wins - but to qualify, previous riddles must also have been solved! If no one solves the last riddle, the person with the most correct answers wins.

WHAT HAPPENS TO THE MONEY?

All participant fees will be used solely for prizes and a donation to a good cause - no profit will be kept by me. The use of the funds will be transparently disclosed. All participants can vote on the charitable cause for the donation - suggestions are welcome.

WHAT HAPPENS TO MY DATA?

No data (phone number, email, etc.) will be stored or shared with third parties. There is no cooperation or advertising partner and you are not buying a refrigerator!

No one will see your number/email: there's no WhatsApp group, but instead, riddles are sent via direct message or email.

So - more participants, higher prizes, and a bigger donation, so please:
